**NEW CLARINET AND SAXOPHONE SYLLABUSES**

The 2009 *Manual of Syllabuses* features new syllabuses for clarinet and saxophone, which are available for examination from 2009. Candidates and teachers may also prepare for examination with the old syllabuses, shown in the 2008 *Manual of Syllabuses*. No combination of these syllabuses is permitted. The old clarinet and saxophone syllabuses may be withdrawn after a period of evaluation. In the event that these syllabuses are to be withdrawn, a year's notice of the intention to withdraw them from examination will be given.
